

Adpoint e-Connect

The hassle-free e-dispatch solution

With Adpoint's **e-Connect** solution, you can take all the hassle out of the e-dispatch of important customer documents. From order confirmations, invoice and credit notes, to statements of accounts and e-tearsheets, we'll arrange automated and timely dispatch when and how you want it. So no need to set up and manage an extra email server or worry about return email handling or delivery.

We'll manage all that as well as get you up and running in just days. You'll also have the reassurance that there is an Adpoint expert at the end of the phone or an email to help answer queries or resolve any issues. e-Connect is the fastest and most efficient e-dispatch solution for our customers.

Benefits

- One email server for automated dispatch of all Adpoint order management documents
- Fast and simple deployment and configuration – we can get you up and running in just 2 days
- Reliable and efficient – we take all the hassle out of ongoing support and return email handling
- Efficient document sharing with your customers – to help finalize bookings and achieve quicker payment

What's included

A SEAMLESS E-DISPATCH SET UP

Our fast-track set up program will help you get up and running in no time at all. All you need to do is provide the best domain name to use and we'll take care of the rest – working with you to set up the right email template layouts, handling the SMTP set up for effective delivery as well as testing to ensure all will run smoothly.

NO ON-GOING MAINTENANCE REQUIRED

We'll also make sure your documents are delivered to your customers every time – removing false spam alerts, non-delivery or long-delays – plus handle the day-to-day management of the email service. You'll have ample email sending capabilities too with 30,000 emails included as standard per month.

RELIABLE SUPPORT WHEN YOU NEED IT

The SMTP supporting e-Connect is one of the best in the business in terms of reliability and security. We'll be on hand 24/7 to answer any queries or problems that arise and ensure a quick resolution.

How it works

GET UP AND RUNNING IN JUST 2 DAYS

STEP 1

We'll arrange a kick-off meeting to quickly guide you through our fast-track set-up program.

STEP 2

Set up your preferred domain address and send to us – this usually takes just 10 minutes.

STEP 3

We then set up the SMTP server and connect it to your Adpoint system.

STEP 4

An Adpoint training session will show you how to use our easy configuration tool for document template set up. We'll also work with you to ensure successful set up of all the relevant documents you want to be included.

STEP 5

Following our quick testing process, you can employ e-Connect immediately.

STEP 6

We'll then manage all the ongoing maintenance and support of your e-dispatch to take the hassle out of email management.
